The mission of the Cape Wellness Collaborative is to provide complimentary/integrative therapies to people in our community facing cancer. We require all clients applying for services to consult with their primary oncologist before starting any and all therapies. If your application for services is accepted, we will provide you with a link to a list of vetted practitioners – and a system by which to pay them for any services you select. The mention of any product, service or therapy is not an endorsement by Cape Wellness Collaborative, nor is it intended to substitute for the medical expertise and advice of your primary health care provider and/or oncologist.

Cape Wellness Collaborative does not discriminate in its programs or activities on the basis of race, color, national or ethnic origin, ancestry, age, religion or religious creed, disability or handicap, sex or gender, gender identity and/or expression, sexual orientation, military or veteran status, genetic information, or any other characteristic protected under applicable federal, state or local law.

RELEASE AND AGREEMENT

The undersigned client requests the assistance of Cape Wellness Collaborative, Inc. (CWC) in identifying providers (hereinafter "Provider(s)") of services including, but not limited to, acupuncture, massage, meal services, nutritional counseling, Reiki, meditation and yoga (collectively "services"), so that such Providers can render services to the Client. I understand that CWC does not, in any way provide actual services.

Client hereby acknowledges and understands that CWC makes referrals only to Providers who are licensed and insured in their respective fields. Client acknowledges that they should consult with their medical professionals regarding the appropriateness of the requested services.

In consideration of Cape Wellness Collaborative identification of possible Providers:

- a) After consideration of the risks inherent in Providers services, Client fully assumes any and all risks associated with Clients' participation in any and all Provider services, and;
- b) Client further agrees to waive and release any and all claims that Client or their respective heirs, have, or may have in the future, against CWC, its agents, servants, directors, officers and employees for any losses, damages, expenses, or injuries, including death, suffered from, or in any way, in connection with Clients' participation in any and all Provider services.

Records of any identity, prognosis or treatment shall be privileged and confidential in accordance with the Massachusetts Privacy Act and the privacy rules of the Health Insurance Portability and Accountability Act (HIPAA).

I acknowledge reading, understanding and agreeing to the above provisions.

Dear Medical Professional,

Your patient, _____, has applied for a monetary grant for integrative therapies through our non-profit organization, Cape Wellness Collaborative (capewellness.org).

The mission of the Cape Wellness Collaborative is to provide complimentary/integrative therapies to people in our community facing cancer. It is our hope to provide comfort, relieve stress and anxiety, and improve the overall quality of life of the people facing cancer on the Cape and Islands, while not interfering in any way with their current medical treatment(s).

Services we currently provide funding for include:

Acupuncture	Energy Work	Nutrition
Art & Music Therapy	Lymphatic Massage	Pilates
Chiropractic	Massage	Reflexology
Craniosacral Therapy	Meditation	Reiki
		Yoga

We have expanded our programs with three new initiatives – Wellness Moves, Wellness Eats, and Wellness Cares. These new initiatives have been years in the making, and we are thrilled to be rolling them out to provide additional support to people with cancer and their caregivers.

- Wellness Moves is an approachable, low cost way for people facing cancer to be able to exercise. CWC is partnering with local yoga studios to develop this program.
- Wellness Cares is about caring for the caregiver. We are thrilled to announce our affiliation with Louisa Stringer, a Certified Caregiver Consultant™.
- The Wellness Eats pilot program provides nutrient dense, healthy, delicious meals to people undergoing cancer treatment.

All of our partnering practitioners are licensed (when applicable), insured, and pre-screened by our Wellness Committee. If you have any questions or concerns, please do not hesitate to call Darlene at 774-408-8477 or email darlene@capewellness.org.
