

Dear friend and supporter,

To date, Cape Wellness Collaborative has served more than 1,200 of our friends and neighbors facing cancer with free-of-charge integrative wellness therapies. In large part, funding for these services comes from our annual events and sponsorships.

As we continue to exercise caution with in-person events, we will continue to focus our attention on providing our clients the best care and we hope you will consider a 2022 annual sponsorship to support our mission. Now more than ever, we rely on the generosity of our community and business sponsors, like you, to connect local people facing cancer with integrative therapies, and delicious, nutrient-dense meals that can help them feel better.

In addition to our wellness therapies, like massage, yoga, meditation, and acupuncture, we have provided over 4,200 delicious nutrient-dense meals distributed to our clients and their caregivers.

Thank you in advance for your support. Together, we make a difference, and you inspire us to continue this important work.

Gratefully yours,

Abigail Field

Cape Wellness Collaborative is a
U.S. tax-exempt 501(c)(3) organization.
Tax ID number: 47-2360979

Thank you, CWC, for providing me with acupuncture treatments. It has helped with my nausea and fatigue and helped me build strength and stamina. I would not have had this healing experience without your generous aid. Also, my partner and I both want to thank you for the Wellness Eats meals which have offered relief to several months of ongoing meal preparation. I have not been able to do my share of our tasks and the ready-made meals have been so helpful for us.

– CWC Client
